As per plan A.

G. O., No. 2190, dated 9th July 1868, P. W. D.

G. O., No. 1059, dated 3rd July 1868, Judicial Department. This Cutcherry will be done away with as soon as a new one is built at Atmakur, which is now in progress, and will probably be completed next year.

2. If the Government think it necessary meanwhile to execute the work now proposed, I beg that they will grant an allotment of Rupees 910 from "Reserve."

Referred to the Judicial Department, with reference to the orders in that Department, No. 1059, of the 3rd July 1868.

FORT SAINT GEORGE,
26th April 1869.

(Signed) C. A. ORR, Colonel, R. E.,
Secy. to Govt, P. W. D.

Referred to the Magistrate of Nellore for report, whether, considering that the new jail at Atmakur is so soon to be finished, it is desirable to spend a sum of Rupees 910 for altering and improving the Cutcherry at Davaroyapully. He will also report whether the jail accommodation, provided for in the accompanying plan, is urgently necessary.

FORT SAINT GEORGE,
4th May 1869.

Actg. Under Secy. to Govt.

No. 158. From the Magistrate of Nellore, to the Chief Secretary to Government, Fort Saint George; dated Krishnapatnam, 6th May 1869, No. 870.

I have the honour to acknowledge the receipt of a letter from the Superintending Engineer, 2nd Division, dated 16th ultimo, No. 14, submitting estimates for certain temporary alterations to the Taluq Cutcherry at Davaroyapully, and state that, in my opinion, it is not necessary to incur the proposed expenditure, when it is probable that the new Cutcherry will be completed next year.

2. The jail accommodation at Davaroyapully is bad, but there is no urgent necessity for a change being made for the few months that it will still be used.

No 159. ORDER THEREON, 26th May 1869, No 891.

Under the circumstances stated by the Magistrate of Nellore, in the second of the letters above recorded, the Government do not consider it necessary to incur any expenditure in altering and improving the Taluq Cutcherry at Davaroyapully.

2. The plans, estimates, &c, received with the Superintending Engineer's letter, will be returned to the Public Works Department.
