Proceedings of the Madras Government, Military Department,
27th May 1869.

Read the following papers:—

No. 697. From the Controller of Military Accounts, to the Secretary to Government, Military Department; dated Fort Saint George, 5th May 1869, E.

Referring to Proceedings of Government No. 4135 of 21st October 1868, I have the honor to forward a letter from the Examiner of Medical Accounts,

bringing to notice the necessity for the continued employment of the two bheasties required to carry water to the upper floor of the Royal Artillery Hospital at the Mount, the pump having been removed.

2. Sanction is requested to the admission of the bheasties on the permanent hospital establishment, which, under the circumstances explained, appears advisable.

From the Examiner of Accounts Medical Department, to the Controller of Military Accounts, Fort Saint George, dated Madras, 23rd April 1869, No. 169.

With reference to Proceedings of Government, No. 4135 of 21st October 1868, I have the honor to inform you that, on enquiry, I find that the pump has been removed from the Hospital Royal Artillery at Saint Thomas' Mount, under these circumstances the continued employment of the two bheasties sanctioned in paragraph 2 of the above order is necessary, and I shall feel obliged by your informing me whether there would be any objection to their being added to, and having their pay drawn with the permanent hospital establishment, or if another reference to Government is necessary to enable that to be done

No. 698. ORDER THEREON, 27th May 1869, No. 1985.

The Governor in Council sanctions the permanent employment of the two bheasties in the Royal Artillery Hospital at the Mount, on the assumption that the pump has been removed as unsuitable.
