Proceedings of the Madras Government, Public Works Department, 7th June 1869.

No. 151. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 30th April 1869, No. 378:—

ADVERTING to G. O., of 12th instant, No. 1,199, I have the honour to state that the manner in which it is proposed to meet the cost of materials and plant obtainable on Indent from England, is to pay for the iron supplied to the Dowlaishweram Workshop from the Workshop funds, and add the cost to "Capital;" as the iron is being expended, the value will be recovered and credited to Government in exactly the same way as is done at present.

2. With regard to the iron rails required to keep the quarries in working order their cost can be debited to the head "Stock."

No. 152. ORDER THEREON, 7th June 1869, No. 1,861.

ACCOUNT, No. 4.

THE Superintending Engineer of the 1st Division will submit, with full particulars in the prescribed form, an Indent for the articles which he proposes to procure from England, distinguishing those specially required for the Dowlaishweram Workshop.

2. The Indent should be submitted through the General Superintendent of the Public Works Stores in order that it may be included in the annual Indent for the Presidency.
