*Proceedings of the Madras Government, Public Works Department,
8th June 1869.*

No. 158. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 27th May 1869, No. 835:—

I HAVE the honour to bring to the notice of Government, that in January last Mr. Andrews, the Executive Engineer in charge of the No. 4 Range, Godavery District, reported to my predecessor that while examining the cash balance of Delta Superintendent B. V. Venkiah, on the 25th December 1868, he found Rs. 100 short, that on the Delta Superintendent having been called upon for an explanation, he was informed that a cheque for the above amount was forwarded by one of the Channel Lascars, named Sheik Imam, to Ellore with a view to its being cashed, that after the Lascar had cashed the cheque, and while making some purchases in a bazaar, the money was robbed from him.

2. Under instructions from Captain Ryves, the Lascar was handed over to the Police authorities, tried by the Sub-Magistrate of Ellore, and fined Rupees two; and I have now to request permission of Government to write off to "profit and loss" Rupees 87 (Rupees 13 having been recovered by the Range Officer by stoppage of Lascar's pay, &c,) now outstanding under the head "Miscellaneous Advances" in the accounts of the No 4 or Ellore Range, Godavery District.

3. The Lascar was discharged on the 20th of February 1869, after his trial.

No. 159. ORDER THEREON, 8th June 1869, No. 1,864.

ACCOUNT, No. 5.

BEFORE passing orders on this letter, the Government request to be informed why the deficiency of Rupees

100 was not reported by Delta Superintendent Venkiah prior to its having been discovered by the Executive Engineer on the 25th December last. Captain Fischer will at the same time furnish a copy of the Sub-Magistrate's decision under which the Lascar was fined Rupees two.
