Proceedings of the Madras Government, Public Works Department,
20th May 1869.

No 481. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 11th May 1869, No. 548 —

With reference to G. O., dated 1st instant, No. 1,436, I have the honour to observe a plan and estimate, according to the Standard Design No 1, for a Tahsildar's Cutcherry at Rajahmundry, has already been submitted to Government, with my predecessor's letter, No. 221, dated 26th February last, but no reply thereto has been received.

2. Government, in their Orders of the 19th April last, No 641, in the Judicial Department, paragraph 2, direct a Subsidiary Jail, according to Standard Plan No. 2, being constructed at Pedda Potaverum, but the Subsidiary Jail Committee in their letter, No. 306, paragraph 9, recommend Standard Plan No 1 to be adopted at this station. I beg to know which design should be adopted and estimated for, as there appears to be some mistake in the Orders.

3. No design has been recommended for Pittapur as yet.
