*Proceedings of the Madras Government, Judicial Department,
2nd June 1869.*

No. 20. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Ootacamund, 17th May 1869, No. 31.

After inspecting the Rajahmundry Central Jail in February last, I addressed the Superintending Engineer on the subject of certain additions which appeared necessary, and I have now the honour to submit plans and estimates of the same for the orders of Government.

2. The total amount of the estimate is Rupees 2100. The details are as follow.—

I. Verandahs for a portion of the front of each store-room, Rupees 860.

These verandahs are required for the purpose of sheltering the carts belonging to the jail which are now exposed to the weather, also for issuing rations in.

II. Roofing the bathing cistern for females, Rupees 493.

This is required because the cistern is overlooked from the police beat which runs round the top of the outer wall.

III. Asphaltting the troughs of the general latrine, Rupees 519.

IV. Adding ridge ventilation to the general latrine in short lengths, Rupees 87.

This is recommended by the Medical Officer, and the cost is trifling.

V. Bathing places in the Hospital, Rupees 17.

The means of bathing are required for patients who may be too ill to go to the bathing place outside. It is, therefore, proposed to screen off, with honey-comb work, two spaces in the verandah in which bathing tubs may be placed.

VI. Asphaltting dead-house floor, Rupees 31.

VII. Water-pipes for carrying off the water from the roof of the central tour, Rupees 93.

No. 21. ORDER THEREON, 2nd June 1869, No. 928.

With the foregoing letter the Inspector General of Jails submits plans and estimates for certain additions which appeared to him to be necessary in the Central Jail at Rajahmundry on his inspection of the jail in February last.

2. His Excellency the Governor in Council approves and sanctions the additions proposed and described in the foregoing letter, and directs that the plans and estimates be transferred to the Public Works Department, in view to instructions being issued for the execution of the additional works.

(True Extract).

P. S. Ellis
Chief Secretary.

To the Public Works Department, with plans and estimates.

„ Inspector General of Jails.

„ Acting Inspector General of Police.
