Proceedings of the Madras Government, Public Department,
1st June 1869.

No. 7. Read the following letter from R. KNIGHT, Esq, Bombay, to the Chief Secretary to Government, Fort Saint George; dated Bombay, 20th April 1869.

Will you do me the favour to read the accompanying prospectus of a Journal which I purpose starting in Calcutta on the 1st July next, and kindly tell me whether I may reckon upon the Government of Madras giving me assistance in my plans by directing its officers to supply me with such reasonable information concerning the districts under their charge as I may from time to time apply to them for.

2. I also venture to hope, from the special character and importance of my work, that the Government of Madras will be pleased to subscribe at the outset for 100 or 200 copies of the Journal for distribution throughout the departments of the public service.

No. 8. ORDER THEREON, 1st June 1869, No. 731.

On application for information regarding particular districts of this Presidency being made from time to time to the Government of Madras, they will be prepared to consider the propriety of ordering the information to be supplied to Mr. Knight. They will subscribe for 100 copies of the "Indian Economist" for distribution throughout the departments of the public service in the Madras Presidency.
