No. 274. Telegram from Acting Superintending Engineer, 1st Division, to Colonel ORR, Madras, dated Dowlaishweram, 31st May 1869.

PLEASE substitute Brickwell for Hannan in the transfer to Cuddapah. Much inconvenience caused here otherwise. More by post.

No 275 From the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 31st May 1869, No 868

WITH reference to the notification in the "Fort St George Gazette" of the 25th instant, transferring Mr. Hannan to Cuddapah, I have the honour to request permission to be allowed to send Mr Brickwell instead, and for the following reasons:—

2. Neither Mr Hannan nor Mr. Brickwell have passed in any Native language, but the latter is reported to be fully qualified to take charge of a Range; at present he has no such charge, but is doing duty in the No. 3 Range of this District, under Mr Rundall, he could therefore be more easily relieved.

3 Mr. Hannan has charge of No 6 Range of this District, and is not only doing good work in repairing the tanks so much complained of in the Rajahmundry talook, but he is also looking up some other irrigation projects for improving the water-supply in that talook, and he has also lately been instructed to take up actively the duty of preparing and submitting the estimate for Trunk Road No 6 in his Range from Rajahmundry to Toonee, to remove him just now would cause not only much inconvenience, but a new hand having to go over a great deal of what is already prepared, very great delay would be occasioned in sending in the documents to Government.

4. If this explanation should prove satisfactory, I beg the favour of an answer by telegraph, when Mr. Brickwell will be ordered to join the Cuddapah District at once.

No. 276 ORDER THEREON, 12th June 1869, No. 1,922.

ESTABLISHMENT, No 34.

UNDER the circumstances explained in this letter, the transfer of Mr. Hannan to Cuddapah will be cancelled, and Mr. Brickwell will be posted to that district instead..

Sir,

With reference to the Notification in the Fort Saint George Gazette of the 25th instant transferring Mr. Hannan to Cuddapah, I have the honor to request permission to be allowed to send Mr. Brickwell instead and for the following reasons.

2 Neither Mr. Hannan or Mr. Brickwell have passed in any native language, but the latter is reported to be fully qualified to take charge of a Range, at present he has no such charge but is doing duty in the 1st Range of this District under Mr. Rundall he could therefore be more easily relieved.

3 Mr. Hannan has charge of 1st Range of this District and is not only doing good work in repairing the tanks, so much complained of in the Rajahmundry Taluq, but he is also looking up some other Irrigation projects for

for improving the water supply in that Taluq.
and he has also lately been instructed to take
up actively the duty of preparing and sub-
mitting the Estimate for Trunk Road No 6

satisfactory. I beg the favor of an answer
