Proceedings of the Madras Government, Public Works Department, 14th June 1869.

No. 294. Read the following letter from the Officiating Secretary to the Government of India, Public Works Department, (Account—Railway,) to the Secretary to the Government of Madras, Public Works Department, Railway Branch, dated Simla, 25th May 1869, No 116-A —R. .—

I AM directed to forward, for information, a copy of a Despatch, as per margin, from the Secretary of State, with its enclosure (Act 31 and 32 Vic, Cap CXIX., for the Regulation of Railways), and to request that the Government of Madras will take measures to ensure the adoption, and the strict observance, in future, by all Railway Companies under their control, of the forms of account, &c., appended to the Act referred to above.

No. 15, dated 24th March 1869.

2. I am also to request that the Government of India may be furnished, with the least possible delay, with particulars of the classification of minor charges, under the first five main heads of the half-yearly Revenue Account (Form No. 9 attached to the Act), which the several Railway Companies under control of the Government of Madras desire to adopt, as it is essential that one and the same classification should be followed by all the Guaranteed Railway Companies in India. It is particularly requested that prompt attention may be given to this call.

3. Forms Nos. 7 and 11 and also the certificates, must be prepared with due regard to the orders already in force on the Indian Railways Form No. 14 should be so prepared as to show the double and single track mileages.

From the Secretary of State for India, to the Government of India, dated 24th March 1869, No 15.

HEREWITH are transmitted copies of Act 31 and 32 Vic, Cap 119, for the Regulation of Railways.

2 In this Act it is provided that the accounts of the Companies carrying on traffic in the United Kingdom shall be prepared in a uniform manner, according to a form appended to it It is obviously desirable, if merely for the sake of uniformity, that similar forms should be adopted, as far as practicable, by the Indian Railway Companies, and instructions have been issued, with my sanction, by the several Railway Boards to their Agents in India, to follow this course. I would request your Excellency to see that this is carried out in regard to all future half-yearly accounts.

HEREWITH are transmitted copies of Act 31 and 32 Vic, Cap 119, for the Regulation of Railways

2. In this Act it is provided that the accounts of the Companies carrying on traffic in the United Kingdom shall be prepared in a uniform manner, according to a form appended to it. It is obviously desirable, if merely for the sake of uniformity, that similar forms should be adopted, as far as practicable, by the Indian Railway Companies, and instructions have been issued, with my sanction, by the several Railway Boards to their Agents in India, to follow this course I would request your Excellency to see that this is carried out in regard to all future half-yearly accounts.

SIMLA, 25TH MAY 1869

SIR,

I AM directed to forward for information a copy of a Despatch, as per margin, from the Secretary of State, with its enclosure (Act 31 and 32 Vic., Cap. CXIX., for the Regulation of Railways), and to request that the Government of Madras will take measures to ensure the adoption, and the strict observance, in future, by all Railway Companies under their control, of the forms of account, &c., appended to the Act referred to above.

No 15, dated 24th March 1869

2. I am also to request that the Government of India may be furnished, with the least possible delay, with particulars of the classification of minor charges, under the first five main heads of the half-yearly Revenue Account, (Form No. 9 attached to the Act), which the several Railway Companies under control of the Government of Madras desire to adopt, as it is essential that one and the same classification should be followed by all the Guaranteed Railway Companies in India. It is particularly requested that prompt attention may be given to this call.

3 Forms Nos. 7 and 11 and also the certificates, must be prepared with due regard to the orders already in force on the Indian Railways. Form No. 14 should be so prepared as to show the double and single track mileages.

I have the honor to be,
SIR,
Your most obedient Servant,
