*Proceedings of the Madras Government, Public Works Department,
3rd July 1869.*

No. 55. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Public Works Department, dated Camp at Chinna Salem, 12th June 1869, No. 52.—

With reference to paragraph 2 of G. O., No. 1,686, of the 21st May 1869, I have the honour to state that the plan forwarded to Government for the privies for Serjeants' quarters at the Race Course Barracks is to provide merely for eight Serjeants and their families, and could not, therefore, be suitably designed on precisely the same principles as the standard plan received with G. O., No. 2,982, of 17th September 1866.

2. The standard plan was intended for larger numbers, and includes a cartshed, which would be unnecessary for the Serjeants' quarters, as a cart could call from the men's privies to remove night-soil from the former.

3. A plan for the privies in question was first prepared by the Executive Engineer in accordance with those sanctioned in G. O., No. 493, of 12th February 1868, but the Sanitary Commissioner having disapproved the same, it had to be revised.

No. 56. ORDER THEREON, 3rd July 1869, No. 2,155

MILITARY WORKS, No. 6.

ORDERED that the plan and estimate for privies for Serjeants' quarters at the Race Course Barracks at Bangalore

which were submitted by the Superintending Engineer of the 5th Division with his letter No. 34 of the 8th May 1869, be forwarded to the Government of India for sanction.

jeants' quarters at the end of Barrack Blocks Nos 7 and 8 on the Race Course at Bangalore.
