(Here enter No 8565/24 June 1869.

The amount provided in Mr. Fraser's estimate for the "Delivery" channel from the Red Hill Tank is Rs. 28,032-6:2., but as the channel is now to be carried on an embankment and not in cutting, no under sluices will be required, and the item as per margin for ten of those works must be deducted. As, moreover, the channel
