*Proceedings of the Madras Government, Revenue Department,
24th June 1869.*

No. 536. Read the following letter from the Commissioner of the Neilgherries, to the Chief Secretary to Government, Fort Saint George, dated Ootacamund, 12th May 1869, No. 17 —

I HAVE the honor to forward estimate, plan, and letter, from the Government Quinologist, and to request sanction of Government for Rupees 2,040 for the Alkaloid Manufactory, and for an advance to Mr. Broughton of Rupees 1,000 for contingent expenditure, as explained in paragraph 2 of his letter.

No. 537. ORDER THEREON, 24th June 1869, No. 1,796.

Miscellaneous

SANCTION is accordingly granted for the estimate for the subsidiary buildings, etc, connected with the Alkaloid Manufactory at Ootacamund, amounting to Rupees 2,040. Provision is made for these works in the Quinologist's Budget, and under the rule that "all expenditure incurred by Public Works Officers should be debited to the Budget grant of the Public Works Department;" it will be necessary for the Commissioner, in communication with Mr. Broughton, to make his own arrangements for the erection of the buildings. The Executive Engineer will, however, be instructed, through the Public Works Department, to give his assistance and exercise a general supervision over them.

2. Sanction is also granted for the advance of the sum of Rupees (1,000) one thousand to Mr. Broughton from the provision made in the Budget for "Contingencies."
