Proceedings of the Madras Government, Public Works Department, 7th July 1869.

No. 139. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Camp at Masulipatam, 10th June 1869, No. 42:—

I HAVE the honour to forward copy of a letter from the Executive Engineer, 7th Range, Masulipatam, requesting that sanction may be accorded to the enclosed estimate, amounting to Rupees 51, for repair of a bungalow near his house, and a grant of Rupees 5 per month for its rent.

2 He has up to this time, with much inconvenience, accommodated the Office in his own house, there being no Government building available, but is now obliged to remove it, and is consequently put to this extra expense.

From the Officer in charge 7th or Masulipatam Range, to the Superintending Engineer, 2nd Division, dated Masulipatam, 31st May 1869, No. 169.

I HAVE the honour to inform you that there is no building attached to this Range for Office, consequently I have been obliged the last twelve months to appropriate a portion of my bungalow for Offices, and this I done at very great inconvenience to my family and myself, leaving us without a spare room The small bungalow opposite to mine having recently become tenantless, I have rented it for Office at Rupees 5 per month; and as it is in a very bad state of repair, it will require an expenditure of Rupees 51* to put it into a safe and habitable condition, which the landlord refuses to do I have now to ask permission to charge the rent in my monthly accounts, and to expend the above amount for repairs. I would add that all the property around and in the vicinity of my bungalow is French Pettah, so that I cannot acquire within convenient distance a piece of ground to build upon. An early reply will oblige, as I should like to get the repairs finished before the monsoon.

* Estimate enclosed.

No. 140 ORDER THEREON, 7th July 1869, No. 2,199

CIVIL WORKS, No. 26.

UNDER the circumstances explained in these papers, His Excellency the Governor in Council grants authority for the bungalow referred to being rented as a Range Office at Rupees 5 per mensem, the charge being included in the Contingent Bill of the Range.

2. As the expenditure of public money upon a private building is objectionable, the Superintending Engineer will instruct Mr. McAlpine to endeavour by an offer of a small increase to the rent of 5 Rupees to induce the owner to carry out the necessary repairs.
