Proceedings of the Madras Government, Public Works Department, 8th July 1869.

No. 166. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Congarapolliem, 22nd June 1869, No. 50 :—

I HAVE the honour to submit, for sanction and provision of funds, the following Military Estimates duly approved of by His Excellency the Commander-in-Chief, viz. :—

1. Estimate No. 11, Rupees 490.
2. Plan and Estimate, No. 9, Rupees 1,620.

Neilgherries.

(1.) Roofing, with corrugated iron, the gallows in the new slaughter-house at Wellington, Rupees 490.

Malabar District.

(2.) Constructing a ration-shed for the European Infantry Regiment at Cannanore (with Plan), Rupees 1,620.

2. The first estimate has been prepared on the representation of the Commissariat Officer at Wellington, that, under the present arrangement, the meat is likely to be spoilt from exposure and rain. Funds can be provided by transfer from "Minor New Works, Military," Malabar. The second work has been necessitated from the punishment shed, where rations are at present issued, being sanctioned for conversion into an Armourer's shop, in G. O., No. 317, of 30th January 1869. But no funds having been provided for this latter work, there appears to be no immediate necessity for an allotment for the present estimate.

No. 167. ORDER THEREON, 8th July 1869, No. 2,212.

MILITARY WORKS, No. 16.

THE Government approve of the two estimates submitted with this letter.

2. The cost of the proposed improvement to the new slaughter-house at Wellington will be charged to the allotment for Minor New Works under "Military" at the Neilgherries, to which head of service a sum of Rupees 490 will be transferred from the same source in the Malabar District.

3. As there are no funds at the disposal of Government, and the Superintending Engineer is unable to provide any, the construction of the proposed ration-shed for the European Infantry Regiment at Cannanore must be deferred.
