*Proceedings of the Madras Government, Public Works Department, 10th July 1869.*

No. 236. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Chepauk, 17th June 1869, No. 573:—

ADVERTING to paragraph 3 of their Proceedings of the 3rd May 1869, No. 1,442, I have the honour to forward, for the information of Government, a statement of the outlay actually incurred on account of survey establishments for the investigation of Irrigation projects on the sanction accorded in the Orders of the Government of India of the 10th December* 1866, No. 1,520-E.

1 Statement.

* See G. O. No. 93, dated 11th January 1867.

2. It will be observed that, of the total sum of Rupees 85,680 sanctioned in those Proceedings, the expenditure up to the end of March 1869, amounted to Rupees 68,530-6-9, and as the balance, Rupees 17,149-9-3, is not likely to be sufficient to cover the charges in the current official year, I would suggest that, as the needful provision is contained in the Budget, the sanction of the Government of India be obtained to the continued employment of the survey establishments above-mentioned for a further period of one year from the 1st April 1869.

THE SECRETARY TO THE GOVERNMENT OF INDIA,

PUBLIC WORKS DEPARTMENT.

SIR,

ESTABLISHMENT, No. 18.

IN Proceedings dated 10th December 1866, No. 1,520-E., the Government of India, on the application of this Government, accorded sanction to the entertainment, for a period of two years, of certain establishments for the investigation and preparation of Irrigation projects in this Presidency, at a cost not exceeding Rupees 3,570 per mensem. As the two years have expired, and the prosecution of the investigations which are either still in progress or proposed to be undertaken will probably still require for their completion a considerable period of time, I am to request sanction to the continued employment of the establishments in question for a further term of two years commencing from 1st April 1869. The outlay incurred on those establishments up to the 31st March 1869 was Rupees 68,530, or Rupees 17,150 within the amount which they would have cost had they been maintained at their full strength throughout the period for which they were sanctioned. I am to add that provision for the charge has been made in the Budget of 1869-70.

I have the honour to be,

Sir,

Your most obedient servant,
