Proceedings of the Madras Government, Public Works Department, 13th July 1869.

No. 304. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 5th July 1869, No. 705:—

1 Letter from Superintending Engineer, 8th Division, No. 719, dated 25th June 1869.

In compliance with the Orders contained in paragraph 2 of their Proceedings of the 17th June 1869, No. 1,979, I have the honour to annex a Statement of the sanctions accorded by Government to the entertainment of establishments, consisting of Lascars only, for employment under Officers engaged in the investigating of projects:—

Order sanctioning the Establishment.	Description of Establishment.	Monthly cost.	Duty on which employed.
		Rs.	
13th May 1869, No. 1,577.	4 Lascars ...	28	Investigating a project under the orders of Mr. Grant in the Tinnevelly District.
19th January 1869, No. 168.	8 do. ...	56	Do. the Perryaur Project under the orders of Lieutenants Pennycuick and Coaker in the Madura District.

2. Under the orders of the Government of India, the cost of these establishments are debitable to the allotment for Minor New Works. The outlay now appears as a charge against Part IV. of the Budget.

3. As, in his letter of the 25th ultimo, No. 719, a copy of which is herewith forwarded, the Superintending Engineer of the 8th Division represents that Mr. Assistant Engineer Bell is now engaged in "the *execution*" of the Streevygoontum Anicut Project, and not on *survey* duties, the Government may perhaps be disposed, on consideration of this circumstance, to direct, in modification of the orders contained in paragraph 1 of their Proceedings under reply, that the salaries of the Lascars employed under Mr. Bell's orders be debited to the general allotment for "Establishments" for the current official year.

No. 305. ORDER THEREON, 13th July 1869, No. 2,283.

ESTABLISHMENT, No. 25.

THE charges for the Lascars referred to in paragraphs 1 and 2, will, in accordance with the ruling of the Government of India, be debited to the allotment for Minor New Works under "Agricultural", in the 8th Division.

Sir,

I have the honor to bring to your notice, that I appear to have failed in representing clearly to Government, the circumstances of Mr. Bell's lascars, vide G. O. No 1979 of 17th Instant—the fact is, in May last year, when the Order No 1442 was passed, Mr. Bell was employed on survey duties and the investigation of a project; but in the present year, Mr. Bell's duty is quite different, he is engaged in the execution of the project, the investigation of which was completed some months ago: hence in the statement called for by Government in Para 2, the lascars under Mr. Bell
