Dated 16 7 1869.

No. 372. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp at Guddakul, 2nd July 1869, No. 1,045 :—

I HAVE the honour to submit, for the orders of Government, the accompanying original letter from the Supervisor in charge Poddatore Range, together with the Pay Abstract and Memorandum of the Controller, concerning the retrenchment therein alluded to.

1 Original letter.
1 Bill with Memorandum.

2. In the course of making certain promotions, &c., I had, in November last, promoted C. Vurdarajooloo Moodelliar from Overseer's Writer, Voilpaud Talook, to the post of 2nd Accountant, Poddatore Range, Cuddapah District. This man was away on leave at the time, and as he had exceeded his leave and did not return within a reasonable time, I could no longer keep the appointment in question open for him, and thereupon posted him to a Talook Overseer's Writership which was vacant in the Bellary District, and promoted P. Tirmul Row instead, from 3rd Accountant, Anantapoor Range, Bellary District, to 2nd Accountant, Poddatore Range, filling up the vacancy thus caused by making a new appointment.

3. Tirmul Row (since deceased) being away on sick leave at the time of his promotion, Mr. Lewis, the Supervisor in charge, Poddatore Range, continued to draw full pay for the acting incumbent as he had been doing when Vurdarajooloo was appointed, on the ground that neither of these men would be entitled to the moiety pay of the higher appointment until they respectively joined the Range Office. The Anantapoor Range Officer in his turn drew no pay for Tirmul Row, as he belonged no longer to his office, and the consequence has been that the Controller declined to pass P. Tirmul Row's half salary (at Rupees 7½ per mensem) for the two months in question.

4. As the 3rd Accountant was drawing the full salary of that of the 2nd Accountant for the reasons stated above, the Poddatore Range Officer continued to draw full salary for the person who was acting 3rd Accountant and the Controller's objections may be said to have reference particularly to this.

5. I however trust Government will be pleased to grant, under the circumstances, the required authority to enable the Controller to pass the sum of Rupees 15 on account of moiety of salary to P. Tirmul Row for two months (*i.e.*, for March and April), as I consider that this is a case to which G. O., No. 949, dated 24th March 1868, should have been made applicable by the Audit Office.

No. 373. ORDER THEREON, 16th July 1869, No. 2,320.

ESTABLISHMENT, No. 36.

As the course adopted by the officer in charge of the Poddatore Range in drawing the full pay of the appointment of the 2nd Accountant for March and April last in the name of Mungaputty Naidoo when the permanent incumbent, Tirmul Row, was absent on sick leave, is contrary to rule, the Superintending Engineer will take measures for recovering

the amount overdrawn by Mungaputty Naidoo and adjusting, from such recovery, the claim made on account of the late Tirmul Row's salary for March and April last.
