391-92

Dated 17.7 1869.

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department, 17th July 1869.

No. 391. Read the following letter from the Acting Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 9th July 1869, No. 1,932:—

I HAVE the honour to bring to the notice of Government that Mr. Lowry, Assistant-Engineer in charge of the Chembrumbaukum Tank Project, has brought to my notice that he has no subordinate assistance on his works, excepting temporary Maistries paid from the estimate, as no member of the permanent establishment has been attached to his Range.

2. The works under his charge are now extending themselves, and from this cause, and owing to the desirableness of his being enabled to entrust his payments for daily labour and contract-work to a subordinate when he is unable to attend to them himself, or to employ Mr. Larminie, the Assistant-Engineer, I would recommend that Supervisor Syed Yusuf be directed to do duty under his orders.

3. The Supervisor has been employed for some months in surveying operations on the Narrainawarum river, Madras District, under Mr. Bell; but I think the Assistant-Engineer can now dispense with his services.

4. One of the Surveyors, appointed under G. O., No. 3,402, of the 24th October 1866, and G. O., No. 93, dated 11th January 1867, has been employed in surveying the Chembrumbaukum Project with Mr. Lowry; but as this duty is nearly completed, and the plans and estimates are in a forward state for submission to Government, it will be better to relieve the Surveyor shortly for employment in the investigation of other projects than to allow him to remain performing Overseer's work. As soon as the plans are completed, the Surveyor can be sent to North Arcot, or placed under Mr. Bell, if he really requires assistance in the field.

No. 392. ORDER THEREON, 17th July 1869, No. 2,330.

ESTABLISHMENT, No. 41.

UNDER the circumstances brought to notice in paragraphs 1 to 3, the Government approve of Syed Yusuf being employed under the orders of the Assistant-Engineer in charge of the Chembrumbaukum Tank Project.

Superintending Engineer's Office
4th Division Madras
9th July 1869.

No. 1932.

From
Lieutenant Colonel J. Bean R.E.
Acting Superintending Engineer
4th Division.

To
Colonel C. A. Orr R.E.
Secretary to Government P.W.D.

Sir,

I have the honour to bring to the notice of Government that Mr. Lowry Assistant Engineer in charge of the Chumbrumbaukum Tank Project, has brought to my notice that he has no subordinate assistance on his works, excepting temporary Mastries paid from the estimate, as no member of the permanent establishment has been attached to his charge.

2. The works under his charge are now extending themselves and from this

this cause, and owing to the desirableness of his being enabled to entrust his payments for daily labour and contract work to a subordinate when he is unable to attend to them himself or to employ Mr. Lawrence the Assistant Engineer, I would recommend that Supervisor Syed Yusuf be directed to do duty under his orders.

3. The Supervisor has been employed for some months in surveying operations on the Warraiaswarmi River Madras District under Mr. Bell, but I think the Assistant Engineers can now dispense with his services.

4. One of the Surveyors appointed under G. O. No. 3402 of the 24 October 1866 and G. O. No. 93 dated 11th January 1867, has been employed surveying the Chinnabrumbankum project with Mr. Lowry, but as this duty is nearly completed and the plans and estimates are in a forward state for submission to Government it will be better to relieve the Surveyor shortly for employment in the investigation of other projects, than to allow him to remain performing Overseers work. As soon as the plans are completed the Surveyor can be sent to North Arcot or placed under Mr. Bell if he really requires assistance in the field.

I have the honor to be

Sir

Your most Obedient Servant
