*Proceedings of the Madras Government, Public Works Department,  
17th July 1869.*

No. 397. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Bezwada, 7th July 1869, No. 57 :—

REFERRING to G. O. as per margin,  
No. 1,186, 12th April 1869. I have the honour to observe that no funds having been given from reserve, I am placed in difficulty as to the expenditure already incurred on the road from Ongole to Kottapatam. It is "new," and therefore I cannot charge it against the maintenance; itself barely sufficient for this important road.

2. If the Government cannot put me in funds, I have no alternative but to beg permission to transfer Rupees 8,780 from the Trunk Road allotment, Rupees 50,000, where the whole sum could be well spent this year.

No. 398. ORDER THEREON, 17th July 1869, No. 2,333.

ACCOUNT, No. 31.

As the allotment for the Great Northern Road has been specially sanctioned by the Government of India for that line of communication, His Excellency the Governor in Council is unable to authorise the transfer of funds recommended in this letter, and the adjustment of the expenditure which is stated to have been already incurred on the road from Ongole to Kottapatam must accordingly be deferred till later in the year.
