MADRAS RECORD OFFICE.

Government of Madras.

Public works DEPARTMENT.

G.O. No. 2337 Press / Misc.

405-06

Dated 17 7 1869.

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department,
17th July 1869.

No. 405. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Bezoarah, 2nd July 1869, No. 52:—

1 Plan.
1 Detailed and Abstract Estimate, Rupees 1,350, with Specification Report.

I HAVE the honour to request that, if possible, the Government will make an allotment of Rupees 1,350 for two wooden punts, plan and estimate of which I enclose, which are very much needed for the efficient and economical working of the dredges.

2. There are now only six punts for the four dredges; so that when the spoil has to be removed any distance, two dredges are frequently left standing still at a loss of steam, wages of crew, &c., &c.

No. 406. ORDER THEREON, 17th July 1869, No. 2,337.

CIVIL WORKS, No. 57.

As the Government have no funds at their disposal, the construction of the punts for which an estimate is submitted with this letter must be deferred.

(True Extract.)

Colonel, R.E.,
Secretary to Government.

To the Superintending Engineer, 2nd Division.

Exd. F. I. Cantleman.

No 19 of 1869-70.
