2 The road from Masulipatam to Kowteram is now under construction; for the continuation from Kowteram to Gudiwada there was a provision of Rupees 3,000 sanctioned in the Budget, but subsequently transferred for works already begun.

3. If the present plans and estimates be sanctioned, the Superintending Engineer will suggest hereafter some measures of obtaining the money. The road is a most useful one and ought to be pushed forward.

4. The Acting Collector is requested to ascertain and state what portion of the cost of bridges, etc, should be met from Imperial Funds, with reference to Government Order, Revenue Department, 11th March 1869, No. 656.
