No. 181. Memorandum from the Officiating Adjutant General, to the Officiating Secretary to Government, Military Department; dated Fort Saint George, 17th November 1869, No. 451.

Submitted for the orders of Government, with reference to G. G. O, No 548 of 1868, republished in Madras G. O. G., No 232 of 1868, page 115, and to Horse Guards' G. O., dated 1st July 1862.

2. It is observed, *vide* Proceedings of Government, dated 6th November 1869, No. 3857, that two Officers of the Royal Engineers have been put under orders for duty in this Presidency.

From the Commandant Sappers and Miners, to the Adjutant General, Fort Saint George, dated Head Quarters, Bangalore, 10th November 1869, No. 1228

Lieutenant Morris of the Imperial list of the Royal Engineers, having expressed a wish to return to England at the end of seven years' service in this country, I have the honor to request that you will obtain His Excellency the Commander-in-Chief's permission to his doing so.

2 Lieutenant Morris left England on the 20th February 1863, and landed in India on the 27th March 1863; he states that in 1862, the Secretary of State for War, ruled that Indian service counted from the date of leaving England, but there is no record in this office to that effect.

3 As Lieutenant Morris' departure will leave only seven Officers, to Command ten Companies of Sappers, I request that you will kindly inform me, if any Engineer Officers may be expected to join the Sappers soon
