Public Works DEPARTMENT.

Read the following letters:—

No. 64. From the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 30th October 1869, No. 2,844.

With reference to G. O., of the 26th August last, No. 2,789, I have the honour to report that, about Rupees 25,000 can be given in this division from the Extraordinary grant, provided no other works are approved of for execution.

2. If the proposed improvements for new locks to the Venkiah, in lieu of the old Nandamoor lock, are sanctioned, a part of these funds will be required for this scheme.

3. I am also just now sending up another project for completing a line of navigation in No. 1 Range between Covoor and Munjar, and on this work the rest of the funds could be spent. This is a project of the greatest importance for the Delta, and I trust it will meet with favourable consideration when submitted.

No. 65. From the same Officer, dated Dowlaishweram, 2nd December 1869, No. 3,160

With reference to Memorandum, No. 38, dated the 17th November 1869, I have the honour to annex a list, showing the particular Budget allotments from which a saving is expected to be made
