ESTABLISHMENT, No. 7.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,

Secretary to Government.

of India (No 101 dated 24th April 1869)

The rules provide for an officer obtaining privilege leave for one month after eleven months continuous service and two months cumulative leave after 22 months continuous service on the date on which Colonel Walker took

x/1st August 1869 his last privilege leave he had earned [illegible] but was therefore eligible on that date to only one months privilege leave. To render himself eligible to further privilege leave, Colonel Walker must serve continuously for 11 months from the 1st September 1869, as the excess service (5 months) above the period required to entitle him to the last privilege leave availed of cannot be taken into account in considering his claim to further leave of the same kind..

2. The orders of the Government of India (No 101 dated 24th April 1869)

referred to by Colonel Walker
do not appear to me to affect the
question above.
