question

question -

2 Unfortunately, as explained in my letter No 548 dated 6th September 1869 little work was done at the Sole, both the doors and windows had been gone on with, and bonafide estimates were specified & were inspected, & have recommended as the other works in progress as possible can, such where still open are in Rupees 281-8-0 of doors and windows Rupees 42-3-0 of rough Stone set in Mortar Lime & Sand & other work Rupees 35-11-1 of work done, which each item represents all that will be lost by the change of plan Total Rupees 359-6-1-

3 The doors and windows, and Roofs done, will all be used when the Police, & larger Gaol, is again commenced & they therefore, unless you are of opinion that Government will make a rather, grant this year, that you will allow me to bring these on to the "Stock" Account -
