Proceedings of the Madras Government, Public Works Department,
6th January 1870.

No. 124. Read the following letter from the Deputy Secretary to the Government of India, Public Works Department, (Account—Irrigation,) to the Secretary to the Government of Madras, Public Works Department, Irrigation Branch, dated Fort William, 20th December 1869, No. 219 A-I —

I AM directed to convey the sanction of the Governor-General in Council to the re-appropriation of Budget credits applied for in your No. 412 3,704, dated 19th ultimo

2. I am, however, to express the regret of the Government of India that so long a time should have been permitted to elapse since the necessity for a revised estimate for the Madras Water Supply Project became apparent without its being rendered, and to state that the Governor-General in Council hopes it may be found practicable to furnish it before the Budget Estimate of 1870-71 comes under review; as otherwise it will become absolutely necessary, in the interests of financial regularity, to consider whether the work must not be excluded from the operations of that year altogether.

COMMUNICATED to the Superintending Engineers of the 4th and 6th Divisions with reference to G O, Nos 3,703 and 3,733, of the 19th and 23rd November 1869
