No. 136. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, dated Tanjore, 6th December 1869, No. 1,029.—

I HAVE the honour to submit copies of correspondence, as per margin, that has passed between this and the Controller's office, regarding the arrangements made in the Range Office Establishments, consequent on the Accountant of the Trichinopoly Range having obtained sick leave on half salary.

* From Controller, Memorandum, No 390, dated 8th November 1869
To ,, No 967, dated 22nd Nov 1869
From ,, ,, 683, ,, 29th ,, ,,

2. If the acting promotion did not run from one range to another, and this, under the present constitution of the Range Office Establishments, cannot well be avoided, the arrangement, as suggested by the Controller in paragraph 2 of his letter, No 683, of the 29th ultimo, might be followed, but if the promotion does run from range to range, the result will be that, while the 2nd Accountant in Range No. 5, who is to act in a higher post, will receive no extra remuneration, John Pillay and Sevasengarum Pillay, for discharging duties similar to those they have discharged in the ranges to which they permanently belong, will draw 10 rupees in addition to their salary.

3. Paragraph 2 of Circular No. XXI.-1,326, dated 9th October 1869, appears to me to admit of promotion to acting appointments being made as proposed by me.

4. From what has been advanced above, I beg that the arrangement as suggested to the Controller in my letter, No 967, of the 22nd ultimo, may be sanctioned as a special case, and for the future, if I have misapprehended paragraph 2, care will be taken to confine temporary promotions to one office only, instead of allowing them to run from one range to another, as in the present instance, though this I fear will, as a rule, be detrimental to the public service.

No. 137. ORDER THEREON, 7th January 1870, No. 71.

ESTABLISHMENT, No. 11.

THE Government sanction the proposals of the Superintending Engineer of the 6th Division as a special case, but all future office arrangements should be made in strict accordance with the orders† of the Government of India, published at page 243 of the *Fort Saint George Gazette* of the 16th February 1869.
