WHEN on the Neilgherries a few days ago, Mr. McIvor spoke to me about his visit to the Perryaur, and I told him that I considered it advisable that he should not go there much after the end of January, Mr. McIvor reminded me that it would be necessary for him to be regularly authorized to make the visit, and I would therefore suggest, with reference to the Order of Government, No. 2,466, dated 28th July 1869, in this department, that the Revenue Department be requested to issue an order accordingly. Mr. McIvor proposes to return to Ootacamund, via Madras, in order that he may have an opportunity of discussing with me the circumstances of the Perryaur site.
