With reference to my letter, No. 2,388, dated 27th September 1869, embodied in G. O , No. 3,419, dated 23rd ultimo, I have the honour to submit herewith three estimates for the roads noted in the margin, for repairing the damages done to them during the late floods in Gumsur, and request that you will be good enough to obtain the sanction of Government for the necessary funds being placed at my disposal for the same.

Imperial Funds. *Roads.*	
Aska and Russelcondah road, viâ Gungoopoor ..	Rs. 410
Local Funds	
Road from Aska to Russelcondah, viâ Bullepadra, etc . .	800

* No 1,100, dated 18th October 1869

3. With regard to the damages done to irrigation works, I beg to state that I have only the other day received estimates, amounting to Rupees 1,228, from Mr. Lever for emergent repairs to the same, and have this day appropriated funds for them from the allotment† at my disposal for Repairs, "Agricultural."

2. The Government have no money at their disposal to meet the cost of the proposed repairs to the Aska and Russelcondah road, and as the amount‡ is small, the Superintending Engineer should find no difficulty in providing it by transfers from his repair allotment.
