No. 180. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Camp at Duggeralla, 16th December 1869, No 127 —

I HAVE the honour to request that Rupees 7,600 may be added to the Extraordinary Fund allotment for the Kistna District from the Rupees 8,000 which I begged in my No 96, 4th October 1869, might be reserved.

2. The estimate, Rupees 1,39,700, for the Western Bank Channel has been exceeded by this amount, which is less than five per cent on the sum sanctioned; this latter did not, however, provide for the irrigation of all the land under its command, and still less for the drainage of rain-fall or surplus

3. I have set on foot a survey for the complete project, and hope to submit it in two or three months.
