*Proceedings of the Madras Government, Public Works Department,
9th April 1870.*

No. 164. Read the following Proceedings of the Board of Revenue, dated 16th March 1870, No. 1,802 :—

Read the following letter from the Collector of the Godavery District, to the Acting Secretary to the Board of Revenue, dated Cocanada, 14th February 1870, No. 40.

I HAVE the honour to state that, on the 22nd and 25th November 1869, Major Fischer, the Acting Superintending Engineer, 1st Division, occupied the Travellers' bungalow at Jaggampetta, and refused to pay the fee, 1 rupee. I stated to him that the fee must be paid if the bungalow was occupied by him, whatever its condition. He replied that he disagreed to pay, stating that "bungalow fees are levied on travellers in consideration of a supply of crockery, glass, cutlery, etc., being maintained in them for the use and convenience of travellers, and not on account of the mere shelter they may afford."

2. I ascertained from the Tahsildar of Peddapur Talook, to which Jaggampetta appertains, whether the bungalow furniture was ready when Major Fischer halted at Jaggampetta. The Tahsildar sent a list of the same, (copy is enclosed).

3. The sepoy in charge of the bungalow states that Major Fischer asked him for mattresses and table-cloths; these he informed him to have been torn.

4. I request that the Board will be pleased to let me know whether the rupee which I considered to be due by Major Fischer should be recovered from him or not, and, if so, how.

ENCLOSURE No 1.—List of Furniture.

SUBMITTED to Government.

2. The Board consider that Major Fischer should be called upon to pay the fee. He cannot plead ignorance of the Bungalow rules.

TRANSFERRED to the Public Works Department for disposal.

No. 165 ORDER THEREON, 9th April 1870, No. 1,001.

ESTABLISHMENT, No. 14.

THE Government learn with surprise that an officer in Major Fischer's position should consider himself justified in disputing his obligation to pay the regulated fee for the occupation of a Public Bungalow and thus give occasion for the unnecessary correspondence which has ensued.

2. It was optional with Major Fischer to make use or not of the bungalow; but, having done so, he was not at liberty to refuse payment of the fee, and he will on the receipt of these orders disburse the amount claimed without delay.

Note by the Honorable
J. D. Sim on Proceedings of
the Board of Revenue dated 16th
March 1870, & 1802.

Major Fischer should
in my opinion be required at once
to pay the established fee and cen-
sured for not doing so before. He
is under no obligation to use the
Bungalows - but if he does he must
pay - and not constitute himself
judge of whether payment is due
or not.
