*Proceedings of the Madras Government, Public Works Department,
12th April 1870.*

No. 195. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 28th March 1870, No. 3,683.—

I HAVE the honour to forward, for the sanction of Government, the accompanying report and estimate for constructing Dead-houses, at a cost of Rupees 1,410 each, for the Native Infantry and Cavalry Hospitals at Bellary.

2. The estimate is submitted as the works are entered in the list attached to G. O, No. 225, dated 20th January 1870, and, as the buildings are proposed to be constructed in accordance with the standard plan circulated with G. O, No 905, dated 19th March 1869, I have not submitted these papers through His Excellency the Commander-in-Chief.

No. 196. ORDER THEREON, 12th April 1870, No. 1,018.

MILITARY WORKS, No. 7.

As THE proposed outlay on the construction of Dead-houses for the Native Infantry and Cavalry Hospitals at Bellary seems excessive, the Superintending Engineer will submit an estimate for buildings of a less expensive character, and providing only such accommodation as may be absolutely needed without regard to the standard design.
