*Proceedings of the Madras Government, Public Works Department,
12th April 1870.*

No 202. Read the following letter from the Acting Consulting Engineer for Irrigation and Canal Company, to the Secretary to Government, Public Works Department, dated Madras, 21st March 1870, No 148 —

I HAVE the honour to submit, for the orders of Government, the correspondence as per margin regarding the proposed grant of extra pay to certain members of the Agent's Office Establishment for extra work done which was required by the Examiner of Accounts

From Agent, No 74, 17th Feb 1870.	
To do. „ 337, 23rd „ „	
From do „ 96, 3rd March „	
To do „ 354, 8th „ „	
From do „ 119, 15th „ „	

2. In their Order No. 3,268 of 31st October 1865, the Government authorized this office to sanction extra pay according to a certain scale, provided application for such sanction was previously made. In the present case no application was made by the Agent, but in the first of his letters, No. 74, of the 17th ultimo, he asked sanction for the disbursement of Rupees 113-14-4.

3 The rules referred to above allow half a day's pay as the maximum for each day, *i e.*, three hours or more extra work in one day are to be considered as half a day. The work list shows that some men worked extra hours in four days and some in three days. Allowing that they worked more than three hours in each day, the rule gives them only Rupees 41-1-0 for the whole, against Rs 113-14-4 proposed to be paid. This latter sum is obtained by calculating full pay for the whole number of extra hours at six hours per day, the work list showing for the most part thirty extra hours worked in four days.

4. The Agent states that the work done would, under ordinary circumstances, have occupied eight or nine days, and that it was completed much within the time allowed by him, and for which, he adds, he promised full extra pay. I, therefore, beg to submit his proposal, as a special case, for the favourable consideration of Government.

No 203 ORDER THEREON, 12th April 1870, No. 1,022.

IRRIGATION, No. 12.

* Rupees 113-14 4

UNDER the circumstances represented in these papers, the Government will not object, as a special case, to the disbursement of the extra* pay recommended to be passed to certain Members of the Office Establishment of the Agent for the Madras Irrigation and Canal Company; but they consider that Mr. Badham was not warranted in holding out to the Clerks a promise of a more liberal rate of remuneration than the rules prescribe.
