*Proceedings of the Madras Government, Public Works Department,*  
13th April 1870.

No. 204. Read the following letter from the Acting Deputy Inspector-General of Ordnance and Magazines in charge Ordnance Office, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 31st March 1870, No. G-362.—

With reference to Order of Government, No. 323, dated 17th March 1870, Public Department, communicating Proceedings of Government, Public Works Department, dated 9th March 1870, No. 735, I have the honour to report that the Superintendent of Stationery, to whom a copy of the above order was sent, states "that there are no bills of the Great Southern of India Railway Company against the Stationery Office, which remain unadjusted, nor was any claim preferred on this account at any time during the year 1869. Possibly the alleged balance refers to various items, aggregating Rupees 20-9-0 charged but, disallowed in 1867, and early in 1868 for the carriage of goods which the Railway Agent was advised were not sent from this office. In support of these disallowed charges, the Agent at the time failed to produce the necessary vouchers."

FORWARDED to the Public Works Department.
