MADRAS RECORD OFFICE.

Government of Madras.

Public Works DEPARTMENT.

G.O. No. / 325	Press
208-2-9	Mis.
Dated 13-4-1870.	

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
13th April 1870.*

No. 208. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, dated Tanjore, 30th March 1870, No. 1,489 :—

WITH reference to G. O., No. 545, dated 16th ultimo, I have the honour to inform you that the length of drain required for the Lunatic Asylum at Trichinopoly is 180½ and not 80 feet

Two estimates
One elevation of door
Rupees 106.

long as supposed by the Sanitary Commissioner. An estimate for this drain and for trifling alterations to a drain into which it is to lead, is enclosed.

2. I beg also to forward an estimate of Rupees 102 for providing iron doors for the bath-rooms and padded-room, so as to render them available as separate cells. An elevation of the door, which is similar to those in other parts of the Asylum, is enclosed ; only one door which is in the stores is suitable for the positions in which these doors are required.

3. Provision may be made for these works from the Reserve of 1870-71.

No. 209. ORDER THEREON, 13th April 1870, No. 1,025.

CIVIL WORKS, No. 20.

THE Government sanction the estimates for the following works.—

Improvement of the drainage of the Lunatic Asylum at Trichinopoly Rs. 106
Conversion of the bath and padded-rooms attached to the Asylum into separate cells, and providing them with iron-doors „ 102

2. The Superintending Engineer of the 6th Division will include these amounts in his Statement of Demands which are now due in this office.
