Proceedings of the Madras Government, Public Works Department, 20th April 1870.

No. 237 Read the following letter from the Consulting Engineer for Railways, to the Secretary to Government, Public Works Department, dated Madras, 1st April 1870, No. 134.—

In further reference to the desire expressed by the Government of India* that, with the exception of expenses immediately connected with the survey, no expenditure of any nature should be incurred for the present upon any of the projected lines of railway, I have the honour to state that, from a letter† received from the Secretaries and Agents of the Carnatic Railway Company, I learn that a tender for the construction of three locomotives, by the Avonside Engine Company of Bristol, was accepted by the Board of Directors on the 8th January 1870, and that the locomotives are expected to arrive here about the end of August

* *Vide* G O, 17th March, No. 800

† No 160, dated 26th March 1870

From the Secretaries and Agents of the Carnatic Railway Company, to the Consulting Engineer for Railways, dated Madras, 26th March 1870, No 160

We have the honour to inform you that from a letter received last mail from the Home Board we are advised of the following —

Shipment of instrument and materials for the Drawing Office, per Steamer *Crosby viâ* Suez Canal, to sail 6th March 1870

Tender for construction of three locomotives by the Avonside Engine Company of Bristol, accepted by the Board 8th January 1870, to arrive here about the end of August Appointment of Mr. Devonshire J Scott as 1st Class Assistant Engineer to the Company, to leave by the steamer from Marseilles 13th March
