Proceedings of the Madras Government, Public Works Department, 8th January 1870.

No. 197. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, dated Tanjore, 6th December 1869, No. 1,030 —

I HAVE the honour to inform you that the Head Draughtsman in my office has obtained an Overseership in Wynaad, and in answer to my advertisement for a draughtsman, I have received an application from one Ramanjooloo Naidoo, who has been in the Railway Department as draughtsman for nearly eleven years He has very good testimonials, and is a good draughtsman, but he has not obtained a certificate from the Civil Engineering College, this I have no doubt he will be able to obtain within six months or a year. I beg, therefore, that I may be permitted to entertain him, on probation, for a year, on the condition that he passes the requisite examination within twelve months.

2. The draughtsman informs me that the Railway Department is willing to part with him, but as he cannot leave the Railway Department without a month's notice, I beg that early orders may be issued on the subject, as he will not resign his appointment in the Railway Department till he is assured that a year's probation will be allowed him in which to pass.

No. 198. ORDER THEREON, 8th January 1870, No. 103.

ESTABLISHMENT, No. 19.

THE Government approve of Ramanjooloo Naidoo's appointment as Draughtsman in the office of the Superintending Engineer of the 6th Division on the condition of his passing the prescribed examination within a year.
