No. 52. Read the following letter from the Officer in charge of the Public Works Operations in the Wynaad, to the Secretary to Government, Public Works Department, dated Vythery, 23rd November 1869, No 467 —

WITH reference to my letter, No. 328, dated 25th September 1869, I have the honour to request that I may be permitted to instruct the Range Officer to proceed with the building of the Sub-Magistrate's Cutcherry at Goodalore, so far as is consistent with those portions of the plan that were approved of in G O , No 1,985, dated 22nd June 1868, which can be done without in any way interfering with the subsequent additions still awaiting sanction.

2 There is an allotment of Rupees 5,000, and Major Raynsford, under the impression that the existence of this was sufficient authority, had engaged his work-people, and now finds himself unable to employ them , the time also fit for building operations is so short that it will be a great loss if any delay takes place.

No. 53. ORDER THEREON, 3rd December 1869, No. 3,818.

CIVIL WORKS, No. 6.

As the orders of the Government of India positively prohibit the commencement of any work without a sanctioned estimate, the Government regret that they cannot comply with the application now made for permission to proceed with the construction of the Sub-Magistrate's Cutcherry at Goodalore.
