No. 449.

No. 1,355.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

PUBLIC WORKS DEPARTMENT.

Forests, No. 20.

Sir,—In reply to your letter, dated
9th June 1870, No. 295-F., I am directed
to request that the Government of India

will accord sanction for the promotion of Mr. Ferguson to the grade of 2nd-
Class Assistant Conservator of Forests.

2. Mr. Ferguson is the Assistant Conservator in charge of Nellambur, a
very feverish range. His services were brought to the notice of Government in
1867 by Dr. Cleghorn when Conservator, who recommended that Mr. Ferguson's
salary should be increased to Rupees 300

* He entered the service in 1862. as* soon as he had completed six years'
service. The Government at that time (G. O., dated 5th November 1867,
No. 2,618) acknowledged Mr. Ferguson's efficiency, and since then they have
frequently had occasion to notice the value to the department of his experience and
ability.

3. The Secretary of State in a despatch to this Government, dated 24th
February 1868, No. 6, having reference to the teak plantations at Nellambur,
remarked "that the financial results of the past five years appeared fully to justify
the improvement of Mr. Ferguson's position."

4. I am directed to forward a† letter from the Officiating Conservator of
Forests relating to the same subject, and
† Dated 13th June 1870. to state, in conclusion, that the expecta-
tions of promotion which have been held out to Mr. Ferguson during the last three
years, coupled with his qualifications and services, entitle him, in the opinion of this
Government, to the proposed increase of salary.

5. In conclusion, I am to express the regret of this Government that the
recent orders rendering necessary the sanction of the Government of India in such
cases were overlooked when Mr. Ferguson's promotion was originally sanctioned.

I have the honour to be,

Sir,

Your most obedient Servant,

(Signed) R. A. DALYELL,
Acting Secretary to Government.

Sir,

With reference to G.O. No 610 dated 29 April 1869 promoting Mr. Ferguson to the grade of 2nd class Assistant Conservator of Forests, I have the honor to point out that, in the scale sanctioned for the Forest Department by the Government of India in their order of 1868 dated 31 October 1868, recorded in G.O. No 1148 dated 19 January 1869, provision is made for only one 2nd class Assistant Conservator, which appointment is already filled by Cundasaiah Mudalliar the officer in charge of the Central Office at Madras (Vide Gazette Page 514). Mr. Ferguson's promotion to this class therefore will create an additional appointment on a salary exceeding 3000 Rs per annum
