Proceedings of the Madras Government, Revenue Department, 30th August 1870.

No. 458. Read the following Proceedings of the Board of Revenue, dated 9th July 1870, No. 4,794:—

Read the following letter from the Acting Collector of Bellary, to the Acting Secretary to the Board of Revenue, dated 30th May 1870, No. 187.

With reference to your endorsement, dated 27th instant, on Government Order, No. 756, of the 21st instant, I have the honour to state that the sanction of the Board has already been given to the transfer of the Travellers' Bungalow at Herihall to the Department of Public Works, in their Proceedings, No. 2,458, dated 12th April 1870.

Submitted to Government, with reference to Government Order, dated 21st May 1870, No. 756.

2. It has hitherto been usual not to charge Imperial Departments or District Officers when public bungalows are handed over to them, but now that the Government grant-in-aid in the Public Works Department is about to be withdrawn, it is absolutely necessary to protect the Bungalow Fund in every possible way.

3. The Board are accordingly of opinion that if the Public Works Department and the officers of the district take the bungalow at Herihall, they should pay a fair valuation for it. If they are not prepared to do this, the building should be sold by auction.

No. 459. Order thereon, 30th August 1870, No. 1,360.

Miscellaneous.

The Government do not consider that the Department Public Works should be called upon to purchase the Herihall bungalow. It will be a sufficient consideration if the department keeps the building in repair and reserves a room for the use of the District Officers. On these conditions therefore the bungalow may be handed over.

Read the following. Proceedings of the Board of Revenue

Submitting letter from Collector of Bellary relative to the transfer of the Jewellers Bungalow at Hemikulé to P.W. Dept with remark that if that Dept and District Officers take this building, they should pay a fair valuation for it, but if not, that it should be sold by public auction -

I would not accept the W^m proposal. The building is state property and the D.W. will be loath to maintain it in its present condition & I believe a room for the use of the District Officer. Other conditions are subsidiary &

I have some doubts about the whole - whether the P.W.D now equipped to deal with Petty Offices will annually purchase bungalows, though for their own convenience they may keep them in repair - If total work Buildings annually fetch Rs to Government Rs

Para 3 of the Board's Proceedings is approved. The Board will accordingly issue instructions to the Collector

the Engineer to the Collector

Travellers' Bungalow at Hemikulé in Bellary District.—Letter to the Public Works Department sanctioning the condition that the building is kept in repair by that Department & a room reserved for the use of the District Officer.

Read also the following letter from the Collector of Bellary, dated 9th July 1870, No. 1394.
