No. 14. ORDER THEREON, 1st September 1870, No. 1,373.

General.

THE Board's attention will be drawn to the small amount collected on account of assessed taxes during the quarter ending June 30th, and they will be good enough to impress upon the district officers the necessity of taking immediate steps for the realization of the Income-tax, except in regard to ryots' assessments, which must be deferred until the orders of the Government of India are received. The cause of the comparatively trifling collections under Stamp Revenue should also be explained.

2. It is observed, with regard to the Statement of Charges, that the provision under "Excise on Spirits and Drugs," has been more than half exhausted in the first quarter of the year, and that the expenditure under "Stamps" is also large. The Board are requested to explain the excess expenditure in both cases.
