*Proceedings of the Madras Government, Revenue Department,
2nd September 1870.*

No. 23. Read the following Proceedings of the Board of Revenue, dated 2nd August 1870, No. 5,145:—

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 17th May 1870, No. 176.

I HAVE the honour to submit lists of incomplete works to be provided for in the current year, received from the Superintending Engineer and Special Executive Engineer of Wynaad.

2. The available assets at the credit of the District Road Fund amount to about Rupees 40,000 as shown below:—

	RS.	A.	P.
Actual balance on the 30th March 1870	24,735	5	9
Unappropriated balance of reserve in round numbers	15,000	0	0
	<hr/>		
	39,735	5	9

The estimate for the bridge over the Irupuranji river on the road from Tamberacherry to Areakoc amount to 26,600 Rupees.

This road is so little used, and the river so seldom impassable, that I propose postponing the work and transferring the allotment* to more useful and important projects.

* Rupees 11,800, vide Item No. 141 in the sanctioned Budget for 1870-71.

3. As this raises the available assets to nearly 52,000 Rupees, I have thought proper to submit a Supplemental Budget, including the incomplete works and providing for the new works referred to in my letter, dated 26th April 1870, No. 141, and also for the repairs to two minor works. The charges now proposed come to Rupees 25,797, leaving a balance of nearly 26,000 to meet any unforeseen expenditure that may become necessary during the year.

4. I have omitted from the assets the items of advances and recoveries repayable to the District Road Fund as marginally noted, as I am not sure whether they will be repaid. I have the honour to request that steps may be taken for their recovery, if possible, from Imperial Funds.

Amount of advance made to the Department Public Works in 1866-67, for Imperial Ghaut road No. 12, repayable as per Board's Proceedings, 27th March 1868, No. 2,257 2,229

Recoveries of past expenditure sanctioned in Board's Proceedings, 4th April 1868, No. 2,509, to be repaid to Local Funds. 887

5. The actual balance at the credit of the Bungalow Fund on the 31st March last was Rupees 4,509-12-3. A separate list of incomplete works under this head is also herewith submitted. This will absorb Rupees 2,996, and the balance left, together with the annual grant of Rupees 500, will hardly cover the expenses incurred for the monsoon repairs of the several bungalows. As the current receipts from the bungalows will hardly pay the establishment charges, I have the honour to request that funds to the extent of 2,000 Rupees may be provided by transfers, or otherwise to allow of any emergent repairs to Musafarkhanas being carried out, and the excess expenditure on account of the monsoon repairs over the assets being met.

ENCLOSURE No. 4.

ABSTRACT.—Statement of incomplete Local Fund Works for 1870-71.

ENCLOSURE No. 5.

ABSTRACT.—Statement showing the works expected to be, but not completed on the 31st March 1870, and for which no provision has been made in the Budget of 1870-71.

With the foregoing letter the Collector submits for sanction the following documents:—

Part I. of the Supplemental Road Fund Budget.

Do. II. do. do.

Do. I. do. Bungalow Fund Budget.

2. Part I. of the Road Fund Budget contains thirteen works, with an aggregate allotment of Rupees 25,167.* The first two are new works, and the remaining eleven are incomplete works. As the information furnished in the column headed "Remarks and References" is not complete, the Board have caused this Budget to be revised in their Office.

3. Part II. contains two repair-works with a total allotment of Rupees 630 in favour of the Public Works Department.

4. The total allotment of Parts I. and II. of the Budget amounts to Rupees 25,797, which is sanctioned from the under-mentioned sources:—

Actual balance on the 31st March 1870	RS.

	25,797

5. Part I. of the Bungalow Fund Budget contains two incomplete works, with a total allotment of Rupees 2,954 in favour of the Public Works Department, which is sanctioned from the unappropriated balance of the fund as proposed by the Collector.

6. The Accountant-General is requested to place the sum of Rupees 27,695 at the disposal of the Public Works Department.

7. Under the circumstances stated in paragraph 2 of the foregoing letter, the Board resolve to transfer to the head

"Reserve" the allotment of Rupees 11,800 for the bridge over the Irupuranji river, which appears as Item No. 141 in the current year's Budget, and to request the Accountant-General to deduct the amount from the total allotment already placed at the disposal of the Public Works Department.

8. As regards the sum of Rupees 2,000, applied for in paragraph 5 of the Collector's letter, by transfers from other districts or otherwise to allow of any

emergent repairs to "Musafarkhanas" (Rest-houses) being carried out, the Collector is referred to paragraph 3 of the Board's Proceedings of the 13th April 1870, No. 2,503, from which it will be seen that there is very little chance of obtaining assistance either from Imperial Funds or by transfers from the surplus funds of other districts. The Collector should therefore, in communication with the Superintending Engineer, make the best possible arrangements for keeping in order only such Bungalows and Musafarkhanas as are indispensably necessary for the accommodation of travellers, taking care not to exceed the available income of the Fund.

9. The Collector will report whether the repairs of Musafarkhanas, which are used chiefly by Native Travellers, might not be undertaken from the Road Fund of the district.
