No. 38. Read the following Proceedings of the Board of Revenue, dated 10th August 1870, No. 5,251 :—

Read the following letter from the Acting Collector of Tinnevelly, to the Acting Secretary to the Board of Revenue, dated 14th July 1870, No. 329.

I HAVE the honour to reply to paragraph 2 of the Proceedings of Government, Revenue Department, dated 16th May 1870, No. 717, and to state that the remarks made by the Acting Collector of the Kistna District, regarding the work performed by the Treasurer and each Clerk in the Huzoor Treasury Department of that district, are equally applicable to Tinnevelly.

2. The establishment of the Branch Bank at Tuticorin has in no way reduced the work of the Cash Department in the Huzoor, as the surplus treasure of the district is not transferred to the Bank direct from the talooks, but is first received and shroffed in the Huzoor.

3. I think no reduction possible without impairing the efficiency of the establishment.

SUBMITTED to Government, with reference to paragraph 3 of their Order, dated 16th May 1870, No. 717.

2. The Board concur with the Collector in the opinion that no reduction is feasible in the strength of the Huzoor Treasury Establishment, in consequence of the opening of a Branch Bank at Tuticorin. Work in the Huzoor Treasuries has been much on the increase of late years.

3. The Collector will explain why the surplus of talooks nearest Tuticorin should not be remitted direct to the Branch Bank, as is done in other districts.

No. 39. ORDER THEREON, 7th September 1870, No. 1,385.

Miscellaneous.

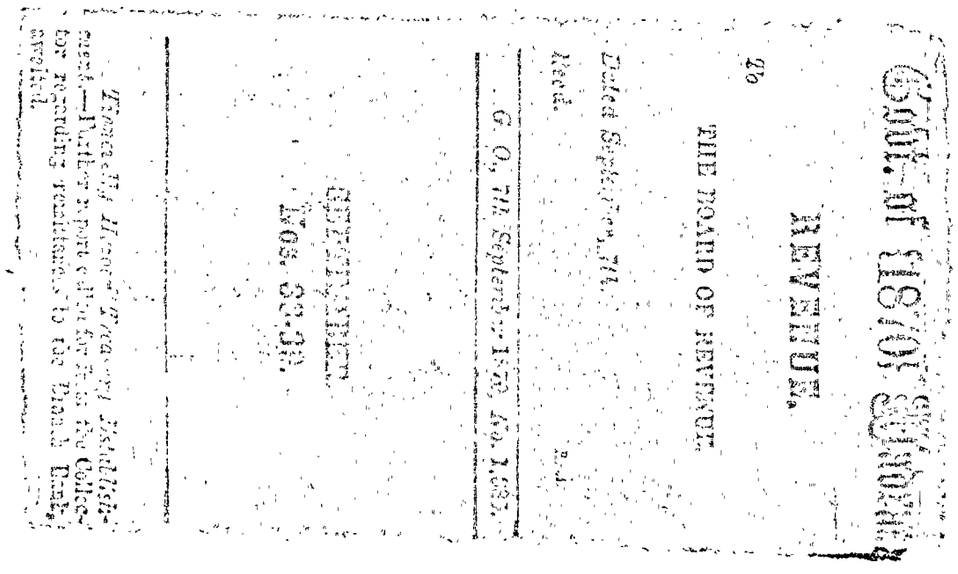

THE Government will await the receipt of the report of the Collector called for in paragraph 3 of the Board's Proceedings.

No. 2,011.

From the Honorable C. PELLY,
Member of the Board of Revenue,

To ALL COLLECTORS.

SIR,

I have the honor to forward, for your information, copy of my final Report to Government on the revision of the Revenue Establishment of the Madras Presidency, accompanied by a Statement showing in detail the new establishment, and the Proceedings of Government thereon, dated 14th January 1867, No. 121:

Dated 5th January 1867, No. 2,006.

2. In the printed Statement now sent, the strength of each Department, and the rates of salaries sanctioned for each individual in the several Departments under the Collector and his subordinates, and in the taluks, will be found entered in their proper places. The distribution of hands among the several Departments should be closely observed, and no deviation whatever be permitted.

3. From a Memorandum furnished by the Accountant General, it appears that the distribution of servants as sanctioned from time to time is not strictly observed. Salaries sanctioned for Clerks in the English Correspondence Department are drawn in some districts by Collectors in the Serishtadar and Vernacular Correspondence Department. The salary of the Translator, which is included in the English Correspondence and General Account Department, is drawn in some districts in the Serishtadar and Vernacular Correspondence Department. In Coimbatore the pay of Gollahs included in my Statement under the Treasury and Stamp Departments is drawn under the head of Office Servants.

4. Besides the entry in the Pay Abstract of the [illegible] reference to the Departments to which they belong, it is observed that in Vizagapatam, a separate Abstract is submitted to the Accountant General for the pay of a Clerk on Rupees 25, allowed for transacting additional work thrown on the English Correspondence Department, consequent on the removal of the sub-depôt for emigrants from Rajahmundry to Vizagapatam: this practice should now cease. The pay of the entire establishment of a district comprehended in the Statement now sent, should be drawn in one Abstract, and the Accountant General will be desired to return the Pay Abstracts of Collectors when there is any deviation in this respect.

5. The designation of Sub-Magistrates will, with reference to paragraph 6 of the Government Order, be altered to Deputy Tahsildars, although in exercising their Magisterial functions they will retain the title of Sub-Magistrates.

6. It will be found that in the establishment as now revised, order and regularity in respect to the number, classification, and salaries of the servants have been scrupulously observed. Should it at any time be found necessary to make any increase or decrease in the establishments, care should be taken not to disturb the general arrangement and the scale of salaries entered in the Statement.

I have the honor to be,
Sir,
Your most obedient servant,
(Signed) C. PELLY,
Member.
