Proceedings of the Madras Government, Public Works Department, 12th January 1870.

No. 267 Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 2nd December 1869, No. 3,164:—

2 Letters from Clerks of the Superintending Engineer's Office, 1st Division.

* *Vide* Notification published at page 320 of the *Fort St. George Gazette* of the 21st August 1868.

At the very earnest request of the two Clerks, whose exemption from the Uncovenanted Civil Service Examination I requested in letter, No 2,298, dated 20th September last, embodied in G. O. of the 18th ultimo, No. 3,346, under which appeared then to me the most recent ruling* of Government, and under certain extenuating circumstances, I have the honour to forward the accompanying representations, and in so doing, to once more beg that the Government will take into their favourable consideration the past services rendered by these Clerks, as will be seen from the copy of the Service Register now sent, and the one already forwarded with my letter above alluded to, and be pleased to exempt them from passing the prescribed test.

No. 263 ORDER THEREON, 12th January 1870, No. 139.

ESTABLISHMENT, No. 23.

In Proceedings, No. 3,346, dated 18th October 1869, His Excellency the Governor in Council declined to exempt Krishna Row, a Clerk in the office of the Superintending Engineer of the 1st Division, from passing the Uncovenanted Service Examination. This decision was based on the ruling in paragraph 32 of the Uncovenanted Service Vade Mecum, under which a person losing his situation by a reduction of establishment should have five years' regular service to render him eligible to any appointment the salary of which exceeds Rupees 20. Seeing, however, that the Vade Mecum embraces rules promulgated only up to 1st June 1868, and that the ruling in the Notification of 11th August 1868 quoted by the Acting Superintending Engineer is in supersession of all previous orders, the Government are pleased, in modification of their orders above quoted, to exempt Krishna Row from passing the examination.

2. There is, however, not sufficient reason for extending the indulgence to G. Nagabooshanum, who appears, after a service passed since 1854 in both permanent and temporary situations, to have been finally brought on the permanent establishment in April 1867, or more than eight years after the period from which continuous service on the regular establishment is necessary to entitle him to exemption from the operation of the Uncovenanted Service Examination rules. This, added to the fact of his having resigned his post, bars his claim to such exemption.

Re Humble representation of

in the Offg Engr's Office 1st Div.

Most Honored Sir,

I beg respectfully to take the liberty of bringing the following to your honor's kind notice hoping at the same time to be excused for interrupting your valuable time.

Your honor has already been pleased to lay my poor case very justly before Government for which I feel much thankful and to request their sanction to my being exempted from passing the Uncovenanted Civil Service Examination bestowing to my misfortune. I learn that Government consider the reasons urged by your honor as

on my behalf to be insufficient and consequently me they decline to exempt from being taxed.

From the Notification published at the page 320 of the Fort St. George Gazette of the 21st August 1868 which is in supersession of all others I learn that persons who have been continuously in Government employment from 1st January 1859 to the time of reduction of Establishment are eligible for re-employment in posts of which the salaries exceed Rs 50 but I am at a loss why the above was not made applicable in my case.

The Rules under which the Controller of P.W. Accounts objected to pass the full Amount of my salary Rs 130 were apparently superseded by the Notification above referred to.

Under the above circumstances, I beg respectfully that Your Honor will be graciously pleased to lay my poor case once more before Government for reconsideration and orders.

I beg to remain
