*Proceedings of the Madras Government, Revenue Department,
7th September 1870.*

No. 89. Proceedings of the Board of Revenue, dated 23rd August 1870.
Read Proceedings of the Madras Government, Revenue Department, dated 10th
August 1870, No. 56.

THE discrepancy noticed is due to a clerical error committed in the details,
thus the entry against the Laccadives, which should have been seventeen, was
inadvertently given as seven. The recurrence of such errors will be guarded
against. The Tonnage Statement is returned, duly corrected.

2. The instructions regarding the Nicobar Islands will be attended to.

(True Copy.)

PROCEEDINGS OF THE BOARD OF REVENUE, dated 23rd August 1870.

Read the following Proceedings of the Madras Government, dated 10th August 1870, No. 56, Revenue Department:—

Read the following letter from E. F. HARRISON, Esq., Comptroller-General of Accounts, for Financial Secretary, to the Chief Secretary to the Government of Madras, dated Fort William, the 22nd June 1870, No. 2,773.

In returning the accompanying Statement of Shipping (No. 14) for the Madras Presidency for March 1870, I am directed to bring to your notice that the sum of the items shown in the detail of vessels entered with cargoes from British Possessions does not amount to the total given; and as the latter total corresponds with that given in the abstract portion of the statement, it is presumed that the error occurs in the details. I am therefore to request that you will be good enough to cause the Statement to be amended and forwarded to this department with as little delay as possible.

2. I am to add that in future Returns, the "Nicobar Islands" should be entered under British Possessions instead of under Foreign Countries.

3. The return of the accompanying Statement is requested.

ORDER THEREON, 10th August 1870, No. 56.

TRANSFERRED to the Board of Revenue for correction of the Statement which is returned herewith.

(True Extract.)

(Signed) H. E. STOKES,
Under-Secretary to Government.

To the Board of Revenue, with Statement.

The discrepancy noticed is due to a clerical error committed in the details; thus the entry against the Laccadives which should have been 17 was inadvertently given as 7. The recurrence of such errors will be guarded against. The Tonnage Statement is returned duly corrected.
