*Proceedings of the Madras Government, Revenue Department,
8th September 1870.*

No. 100. Read the following Proceedings of the Board of Revenue, dated 16th August 1870, No. 5,325 :—

Read the following letter from the Collector of Cuddapah, to the Acting Secretary to the Board of Revenue, dated Caunlamadugu, 15th July 1870, No. 128.

In a Resolution of the Government of India, dated 22nd June last, No. 1,389, just received from the Accountant-General's office, it is laid down that the district officer (Collector) "must in no case, without the special permission of the Local Government in each case, allow more than *two* months to elapse without a "personal verification of the cash balance to be reported to the Accountant-General."

2. I presume the Accountant-General has accepted my Assistant's verification of the cash balance for the current month.

3. During the whole of the two next months it is my intention to tour in the talooks farthest distant from head-quarters. I have therefore the honour to request the Board to obtain the permission of Government to the August and September verifications of the cash balance being made by my Senior Assistant at head-quarters.

4. As Collectors may be forced to make urgent requisitions of the above nature, may I venture to suggest the expediency of their being permitted on such occasions to address the Secretary to Government in the Revenue Department direct.

SUBMITTED for the orders of Government, with the Board's recommendation that the request contained in paragraph 3 be acceded to.

2. The Board do not consider that in such a case direct application to Government is necessary, as no Collector would be likely to proceed on a lengthened tour through the district without making arrangements some time beforehand.
