Proceedings of the Madras Government, Revenue Department, 9th September 1870.

No. 112. Read the following Proceedings of the Board of Revenue, dated 13th August 1870, No. 5,288:—

Read the following letter from the Acting Collector of Coimbatore, to the Acting Secretary to the Board of Revenue, dated 19th July 1870, No. 172.

I HAVE the honour to forward herewith the following estimates for sanction:—

(1). Estimate of Rupees 1,250 for thoroughly repairing a road connecting the Trichinopoly and Avenashy roads, *via* the village of Policoolam; distance 1 mile and 773 yards.

(2). Estimate of Rupees 2,430 for metalling road connecting the Matoopolliem and Sattiamungalum roads; distance 1,680 yards.

2. The roads in question are already in existence as bandy-tracks, and are largely used by ryots and others. Owing to their not being metalled, and to defective drainage, traffic is seriously impeded during the rains, and the estimates submitted, which have received the approval of the Superintending Engineer, provide for their being put into good working order.

3. It is proposed to carry out the work under the supervision of the Revenue Department. The cost can be met from the reserve of the current official year under the head "District Road Fund."

ENCLOSURES Nos. 1 and 2.—Estimates.

WITH the foregoing letter the Acting Collector submits, for sanction from the Road Fund Reserve, estimates, amounting in the aggregate to Rupees 3,680, for the improvement of the under-mentioned roads:—

1. Road connecting the Trichinopoly and Avenashy roads, (length 1 mile and 773 yards)—Estimate, Rupees 1,250
2. Road connecting the Matoopolliem and Sattiamungalum roads (length 1,680 yards)—Estimate, Rupees 2,430

2. The Board sanction the estimate for the first work, and resolve to submit for the sanction of Government the estimate for the second work, amounting to Rupees 2,430.

No. 113. ORDER THEREON, 9th September 1870, No. 1,421.
