No. 114. Read the following Proceedings of the Board of Revenue, dated 11th August 1870, No. 5,263:—

Read the following letter from the Acting Collector of Coimbatore, to the Acting Secretary to the Board of Revenue, dated 19th July 1870, No. 171.

With reference to the accompanying copy of letter, with its enclosures, from the Acting Superintending Engineer, 7th Division, dated 4th instant, No. 56, I have the honour to request sanction for the estimate for the road diversion alluded to, amounting to Rupees 4,600.

2. The work in question is proposed to be executed by the Public Works Department, and the expenditure can be met from the unappropriated portion of the surplus balance of the past official year under the head "District Road Fund."

3. The tunnels provided in the estimate are across jungle-streams, and not across irrigation channels. The cost of them is therefore fairly chargeable to "District Road Fund."
