Colonel, R.E.,

Secretary to Government.

No. 149. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, Fort Saint George, dated Camp Hoss Droog, 20th November 1869, No 134.

I understand that the old Jail at Calicut now being vacated has been given over by Government to the Municipality for a bazaar.

2. Separate from, but near it, is the Jailor's quarters, which the Jail Superintendent was formerly prepared to give up to this Department as quarters and office for the Calicut Taluq Overseer. But the Municipality claim this building also, though it cannot be utilized as part of the market that I am aware of. It would be a great boon to the Overseer of Calicut, where decent accommodation for Europeans is most difficult and expensive to procure, if he were allowed the use of the building in question, even on payment of a moderate rental, say Rupees ten a month; I venture, therefore, to solicit the favourable consideration, by Government, of my claim on his behalf.

Referred to the Judicial Department

The Government regret that they are unable to comply with this application. It has been ascertained that the old Jailor's quarters will be required by the Municipality.
