THE DIRECTOR OF PUBLIC INSTRUCTION,

To

THE CHIEF SECRETARY TO GOVERNMENT,

Fort Saint George.

SIR,

I have the honor to suggest that orders may be given to expedite the completion of the new Presidency College building

2. It would be advantageous if the building could be handed over to the Educational Department at the commencement of 1870, when a fresh classification of the students will be made. This, however, appears to be out of the question, looking at the present state of the structure; and I deprecate any portions of the building being taken into use until the whole is completed.

3. I may mention that, counting on the new College being finished, I have not provided rent in 1870-71 for the house in which the students are at present taught.

4. Having regard to the state of the finances, I presume that we must be satisfied to transfer the old, and in a great measure worn-out, furniture of the present building to the new College, and to make provision gradually for the substitution of new and appropriate furniture.

Office of the Director of
Public Instruction,
MADRAS, 9th December 1869.

I have the honor to be,

Sir,

Your most obedient servant.
